Show Chrome® has launched a groundbreaking innovation to enhance the safety and convenience of using Slingshot turn signals. Introducing the all-new turn signal lever extender for the Polaris Slingshot, designed to provide riders with a heightened level of control. Crafted from high-quality steel, this extender embodies Show Chrome's unwavering commitment to excellence over the years. Its ergonomic design is tailored to riders seeking swift and effortless turn signal activation with a simple flick of the wrist. Moreover, it serves as a vital accessory for any Slingshot equipped with an aftermarket steering wheel or steering wheel hub, further enhancing its value and functionality.
