Show Chrome® adds two more fitments to its new line of quick detachable Smart Mount™ Backrests. Our unique slide lock hardware system allows the backrest pad mount to easily detach and be removed through the seat opening that provides a true clean look when not installed. As with all Smart Mount™ Backrests, riders enjoy 3" of horizontal pad adjustment and 1" of vertical pad adjustment to ensure a comfortable ride. The two new fitments include the Can-Am F3/S/T/LTD and the Harley FLH, which allows for additional height selection of 3 ½" of vertical adjustment to accommodate the numerous choices of seat heights for the FLH since 1998. Made in the USA.
